

Pool Atlas

Hotel Outreach – Top 10 Properties

June 2026 | Confidential

Outreach Strategy

Pool Atlas has independently ranked the world's top 100 hotel pools across 50+ countries, drawing on data from Conde Nast Traveler, Travel + Leisure, Forbes Travel Guide, TripAdvisor, and millions of guest reviews. Rankings are entirely editorial with no pay-to-play placements.

The goal of this outreach is to notify the top-ranked properties that they have been recognized, offer them a free embeddable badge for their website, and open the door to editorial collaboration, media partnerships, and long-term brand relationships.

What we are offering each property:

Recognition: An official Pool Atlas ranking they can point guests, press, and partners to.

Embeddable Badge: A branded SVG badge (gold/silver/bronze tier) they can place on their website with one line of code.

Dedicated Landing Page: A full editorial page on poolatlas.io with photos, features, awards, and booking links.

No cost, no obligation: This is a genuine editorial honour. We are not selling anything.

Tone guidance:

Emails are short and confident. We lead with the ranking, briefly explain Pool Atlas, share the badge link, and invite a conversation. No lengthy pitch decks, no pushy follow-ups.
